Girls in Research
Teacher Information

Encouraging Careers in Drug
and Alcohol Research

University of Kentucky
Center on Drug and Alcohol Research
What is Girls in Research?

- For Girls: A program designed to introduce middle-school girls from southeastern Kentucky to pursue careers in drug and alcohol research.
- For Teachers: Workshops in science and research

Who can participate?

- Current 5th grade girls and 6th, 7th and 8th grade science, math, social science, or health teachers

The program is available for students and teachers who attend school in the following counties:

- Bell
- Breathitt
- Clay
- Floyd
- Harlan
- Jackson
- Johnson
- Knott
- Knox
- Laurel
- Lee
- Leslie
- Letcher
- Magoffin
- Martin
- Owsley
- Perry
- Pike
- Rockcastle
- Whitley
- Wolfe

Program Details:

- Teachers attend a two-day seminar at the University of Kentucky on gender equity, scientific subjects, and strategies to increase female participation in the sciences.
- Teachers participate in the program for three consecutive years.
- Teachers will receive a $300 stipend each summer and continuing education credits.
- Teachers will receive $500 to create Girls in Research clubs in their local schools
